Press Release

Business Update on onboarding Major Tyre Manufacturers for their Logistics Requirements

S J Logistics (India) Limited [SJLOGISTIC] is proud to announce onboarding of three major Tyre Manufacturers and being designated as preferred export logistics service providers. The Company has been working with tyre manufactures namely JK Tyre & Industries Limited, ATC Tires Private Limited (Yokohama), Mahansaria Tyres Private Limited (Ascenso) for some period now and handling good volume.

The collaboration involves a combined business volume of approximately more than 400 Twenty-Foot Equivalent Units (TEUs), underscoring the significant scale and potential of the new contracts. This achievement marks a major milestone in S J Logistics continued growth and expansion, further establishing the company's expertise in handling complex and high-volume export logistics in Tyre Industry.

This Continuous business is a testament to our capabilities in providing tailored, efficient, and scalable solutions that align with the growing demands of the global export market and high standards of international tyre manufacturers. It further validates our continued commitment to excellence in logistics management, and we look forward to fostering long-term relationships with these key industry players.

This collaboration is expected to drive continued business growth and strengthen S J Logistics competitive edge in the logistics sector, with a focus on expanding its market share in the tyre manufacturing and export industry.

About S J Logistics

S J Logistics (India) Ltd. ("**SJL**") is a globally recognized logistics service provider with over two decades of industry experience. Specializing in freight forwarding, transportation, warehousing, Non-Vessel Operating Common Carrier (NVOCC) services, and customs clearance, SJL operates on an asset-light model. This enables the company to collaborate with a vast network of partners, ensuring reliable, efficient, and timely freight solutions across the globe.
